The election filed April 4, 2005 has been entered and made of record as paper no. 0405.

Applicant's election with traverse of claims 8 and 9 in the reply filed on April 4, 2005 is acknowledged. The traversal is on the ground(s) that "it has not been established that it would be an undue burden to examine each of the noted inventions and claims together". This is not found persuasive because it is an undue burden for the Examiner to examine eight different inventions in this application.

The requirement is still deemed proper and is therefore made FINAL.

This application is in condition for allowance except for the following formal matters:

Non-elected claims 1-7 and 10-20 must be canceled.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
